Thank You for Your Request,

Passadumkeag adopted the State of Maine E-911 addressing standards as part of our municipal ordinance in 2010. In order to answer 911 calls properly and to provide emergency services as fast as possible; we are required to maintain accurate road and addressing information.

For the Fire and Rescue purposes, please place and display the number(s) assigned to your property(s) prominently on or near your front door, visible from the street. The height of each number should be at least 4 inches and made of reflective material. If your house or building is located more than 75 feet (or not visible) from the road, please place the numbers at the beginning of your driveway. These simple requirements will assist emergency responders in locating you, as well as assisting utilities, delivery services and others who may need to find you.

Thank you for your assistance and cooperation. Should you require any additional information or assistance please call me at (207) 732-5111.

Sincerely,

A handwritten signature in black ink, reading "Jana Theriault-Spencer". The signature is fluid and cursive, with the first name "Jana" being the most prominent.
